Introduction

Fox Video Capture is a simple, easy to use video recorder that allows you to capture video directly from a webcam (video camera), DV or any analog video source. You can set video compression codec and audio compression codec, output frame size and frame rate. You can also set properties of each capture device, preview and record real-time video, watch TV (TV Tuner is installed).

Designed to be very easy to use, Fox Video Capture will capture and record video within minutes. Download now and install.

Features

- ▶ Fox Video Capture has an incredibly intuitive and easy to use interface.
- ▶ Record video and save it as AVI format.
- ▶ Capture video or image from Video Input Sources with a USB Capture Device, DV camcorder and TV Tuner.
- ▶ Set multiple video and audio encoder settings.
- ▶ Set properties of capture device.
- ▶ Send video via email once the recording is completed.
- ▶ Snapshot pictures with the hotkey.
- ▶ Preview and record real-time video
- ▶ Watch TV if TV Tuner is installed
- ▶ Browse and edit recorded media files.

And more...

System Requirements

- ▶ Windows 98/2000/XP/2003/Vista

- ▶ DivX codec is recommended.
- ▶ Enough free space of hard disk
- ▶ Webcam with Windows Drivers [Optional]
- ▶ USB Video Capture Device [Optional]

The user interface (Overview)

Start Page

Four main working windows:

How to buy Fox Video Capture

As soon as you make your order, our resellers will verify it. Your order will most likely be processed within 1 hour, but in some VERY rare cases it may take resellers more than 24 hours to process your payment.

The registration key will be automatically generated at our server and e-mailed to you immediately after we receive payment confirmation from our e-commerce reseller.

Please do not worry if you haven't received the registration information right away. Delays usually occur due to the high security settings of spam filters used by our clients. Our message may be rejected as a spam message by the mail service you use.

If you haven't got the registration message after several hours, feel free to contact our [Support Team](#) via email.

If you have questions concerning our software, please send e-mail to: sales@foxeasy.com.

We always do our best to help you!
